PARKS PASSPORT

The Urbandale Public Library and Parks & Rec Dept have partnered to bring you Storytime in the Parks!

Come enjoy stories, songs, rhymes, and other activities that delight and entertain as well as encourage the love of reading. The target ages are youth **2-6 years old**, but siblings are always welcome. Storytime will happen each **Tuesday morning at 10:00 AM** and **Thursday evening at 6:30 PM** at a different park each week between **June 11 - August 8**. (See *schedule on other side*.) See how many parks you can visit! Can't make it to a Storytime? You can always visit the parks on your own!

Color in the circles below when you visit these parks!
